

# PTACHC School Safety Committee Workplan

## Spring 2023

The goals of the School Safety Committee are to produce 3 products/deliverables that can be leveraged by future school safety advocates, committees, and or local units. The Committee will review each of the products/deliverables developed at the scheduled meeting date outlined below:

### **Thursday, March 23rd, Virtual Zoom Meeting 7:00-8:00 p.m.**

1. **Action Step Template** - Tool that local units can use if they undergo a school safety threat and want to take more action within their school community, to include draft questions to support a post-threat survey process.

### **Thursday, April 27th, Virtual Zoom Meeting, 7:00-8:00 p.m.**

2. **School Safety Executive Summary Report** - Report developed by RHHS (after their October 2022 threats), including a summary of the questions asked and answers provided during the RHHS School Safety Panel.

### **Possible May Meeting Depending on Interest**

3. **School Safety Policy Recommendations Report** - Report draft that can be leveraged by future advocates. Includes examination HCPSS school safety policies.

### **Monday, June 5th, 7:30-9:00 p.m.- PTACHC Meeting**

A summary of the Committee/Working Group's efforts will be presented at this meeting.
